Subject: Quality System Approval Recognition -- The Boeing Company  
References (a) D6-82479 Appendix A

Dear Mr. Urbanski:

The Boeing Company has reviewed the quality system recognition documentation submitted by your company. We have concluded that your company has a quality system capable of compliance with the Boeing Quality Management System (BQMS) requirements references above. BQMS approval is granted based on recognition documentation from KEMA-Registered Quality, Inc. and your company is now listed in our approved supplier list (ASL). In order to remain on the ASL, you are required to immediately notify the undersigned of any change in recognition status granted by KEMA-Registered Quality, Inc...

Approval of your quality system has been coordinated with the quality management individual copied on this letter. This office must be notified promptly of any subsequent change(s) in personnel with primary responsibility for the quality function within your company. Listing of your facility in the Boeing approved supplier list obligates you to permit entry of the assigned Boeing representative(s) to all areas and records required for audit purposes.

This approval does not include or imply any authorization to perform the special processes controlled by Boeing Document D1-4426, which requires separate qualification and approval by Boeing.

Your company's continued status as an approved supplier is contingent upon continued compliance with Boeing Quality Management System requirements. This does not constitute a waiver of any inspections, tests, or other requirements of the contract, nor does it guarantee acceptance of the articles produced. This approval may not be reproduced for advertising or sales purposes, nor may this approval be used for the manufacture, sale, or shipment of any article to any company or individual other than Boeing without Boeing's prior written consent.

Questions regarding your quality system should be directed to the undersigned.

Sincerely,

A handwritten signature in black ink, appearing to read "John M. Volpe", written over a light blue rectangular stamp.
