

For Immediate Release

FAA Awards Innovative Solutions & Support STC for NextGen Flight Deck for PC-12 Retrofit

Exton, PA — April 11, 2017 — Innovative Solutions & Support, Inc.(IS&S) (NASDAQ: ISSC) received Federal Aviation Administration (FAA) Supplemental Type Certification (STC) for its NextGen Flight Deck for retrofit in the Pilatus PC-12. The NextGen Flight Deck includes an Integrated Flight Management System (IFMS™), Electronic Flight Bag, Integrated Standby Unit (ISU), synthetic vision and enhanced vision (FLIR).

The NextGen Flight Deck integrates Primary Flight Display (PFD) and Multi-Function Display (MFD) with dual satellite based augmentation system (SBAS) GPS receivers in support of the Integrated Flight Management System (IFMS™) with LPV approach capability. The result is an integrated avionics suite providing unrivaled situational awareness, safety enhancements and operational performance.

The NextGen Flight Deck features include:

- Autothrottle Capable
- Airport diagrams and approach
- Moving Maps with overlay of Flight Plan
- Airspaces, Airways (both High and Low)
- Runway Depictions, Navigation Aids, and Intersections
- ADS-B In/Out
- Satellite Weather Optional
- Electronic Checklists and Display
- Control of enhanced vision system
- Optional i-Pad control

The NextGen Flight Deck is fully compatible with IS&S's first Autothrottle for Turbo Prop.

The first installation of the flight deck is in progress on Mr. Brian Cleary's airplane. Brian is President of the Pilatus Owners and Pilots Association.

About Innovative Solutions & Support, Inc.

Headquartered in Exton, Pa., Innovative Solutions & Support, Inc. (www.innovative-ss.com) is a systems integrator that designs and manufactures flight guidance and cockpit display systems for Original Equipment Manufacturers (OEM's) and retrofit applications. The company supplies integrated Flight Management Systems (FMS) and advanced GPS receivers for precision low carbon footprint navigation.

Certain matters contained herein that are not descriptions of historical facts are "forward-looking" (as such term is defined in the Private Securities Litigation Reform Act of 1995). Because such statements include risks and uncertainties, actual results may differ materially from those expressed or implied by such forward-looking statements. Factors that could cause results to differ materially from those expressed or implied by such forward-looking statements include, but are not limited to, those discussed in filings made

by the Company with the Securities and Exchange Commission. Many of the factors that will determine the Company's future results are beyond the ability of management to control or predict. Readers should not place undue reliance on forward-looking statements, which reflects management's views only as of the date hereof. The Company undertakes no obligation to revise or update any forward-looking statements, or to make any other forward-looking statements, whether as a result of new information, future events or otherwise.
